

**Rātaka hui-ā-tau 2012**  
**Waipapa Marae, Te Whare Wānanga o Tāmaki Makaurau**

“Ko te kai atihau, he kai totonui”  
 “Thinking is the food of chiefs”  
*Nā Paora Tuhaere - Ngāti Whātua ki Tāmaki*

The concept of this whakatauaikī realises the aspirations of people which requires careful thinking. This whakatauaikī is appropriate because whare taonga are acknowledged as places of learning and study, and in turn where aspirations are nourished.
